He's always loved her but he left and now he's back...the question, does she still love him?

Peyton Brien is the tasting room manager at Crescent Lake Winery but it's more than a job; it's her passion. The single mother's other passion, her seven-year-old son, Owen who longs for a dad of his own.

Years before, she fell in love with Jack, the winery owner's son. She thought they had a forever kind of love—until he left the valley and broke her heart. But now he's back. Friends to lovers to friends again. They've agreed the past is the past. But is it?

Jack Price ran to California to escape from the future his father planned for him. His passion isn't business; it's working with the grapevines. The years away didn't change that, and they didn't change Jack's love for Peyton. And now her hero-worshipping son is wrapping himself around Jack's heart as well. But just as Peyton and Jack's relationship begins to sprout new tendrils of hope, a secret from Jack's past threatens to destroy his dreams for the future.

They're long past the sweet blush of first love. But just as red and white wines blend to form a blush wine, can Peyton and Jack find a way to blend their pasts and their present to create a rosy new future?
