I need a safe place to crash for the summer. Only one problem—this place comes with a roommate. A sexy, chiseled, Italian chef roommate...

Diego

The last time I dated someone, I got burned. Literally. And I'm a chef. I'm used to a little heat in the kitchen. But I want something that isn't going to flame out in one night.

Then beautiful and brilliant Shohanna becomes my roommate. Our chemistry is scorching, and no matter how much I try to ignore the flames, the fire between us grows bigger.

So what do I do when it's too hot in the kitchen to ignore the heat? A summer fling is not what I want. I want to heal from the devil in my past, focus on my job, and stop the nightmares.

So a summer fling is not on my list of goals. But maybe it's just what I need...
