Chapter 1:

I'm old, lying in bed at night sometimes my body will make strange sounds like a broken embroidery machine.

Sometimes when I look in the mirror, I can't help but panic, who is this ugly sister in the mirror, naturally I am afraid that Ta Hoe An will get bored of me. I am old, sometimes lying in bed at night, my body will develop making strange sounds like a broken embroidery machine. He stopped, looked at me seriously, and then asked if she was telling the truth? Looks like it's eager to try it out.

But later I looked at him closely, there were already wrinkles on the corners of his eyes. I told him to say that, that means he's been through a lot of women already.

I can't help but exclaim a sentence, the time is really magical, in the blink of an eye, an enthusiastic teenager has turned into an old man with a strange temper in front of him. Talented student of Cambridge again I admit I'm stupid, it's funny. I deliberately pretended: "Don't drink too much Western water and forget what your father taught you." He laughed.
