The Birth of Carter Hills Band

Carter Hills, a picturesque small town nestled in the heart of a rural countryside, is where it all began for this talented group. Childhood friends, Jake Patterson, Sarah Miller, and Mike Thompson, grew up with a shared passion for music. They spent countless hours jamming in Jake's parent's barn, dreaming of the day they would share their music with the world.

But as life often does, it threw them a few curveballs. After high school, the trio went their separate ways, pursuing different paths and leaving their musical aspirations behind. Years passed, and the dreams they once shared seemed like distant memories.
