Fans of Robyn Carr's Virgin River series will love this small-town, feel-good romance!

Mia Costas is a successful artist, not an event planner. Agreeing to help stage a charity gala is the last thing she needs, but it's for a good cause and she doesn't want to let her friends down. When she realizes how important the event is, she knows she's not the best person for the job—and so will the director of the hospital if he discovers who she is.

With less than three months until the opening of a new neonatal unit, Stan Lewis, the Director of Bozeman Deaconess Hospital, needs to organize the biggest fundraising event Montana has ever seen. An event staging company could be the answer to all his problems or create more than he ever imagined.

With the hopes of more than one child resting on their shoulders, Stan and Mia work together to create a night no one will forget. And maybe, if they let themselves believe in the power of love, they can create a little magic of their own.

COMING HOME is the first book in the Montana Promises series and can easily be read as a stand-alone. All of Leeanna's series are linked. If you find a character you like, they could be in another novel. Happy reading!

Praise for Leeanna Morgan's books:

"I am addicted to Leeanna Morgan's books! The only problem with them is that I hate coming to the end of one, and can't wait for the next good read. I love how she weaves the characters together, and draws you right into their lives. If you haven't discovered her, please do give her books a try. You won't be disappointed, except for not having found her sooner!"
