Born into a family of renowned face changers, Jane Whitefield was destined to follow in their footsteps. Guided by ancient traditions and an unsurpassed instinct for adapting to different environments, she honed her skills to perfection. With an arsenal of disguises, makeup techniques, and expert knowledge of human behavior, Jane Whitefield performs her art with unparalleled finesse.

One of the secrets behind Jane's success lies in her understanding of human psychology. She knows that it's not just about changing appearances but also about adopting the mannerisms, speech patterns, and thought processes of the person she is impersonating. By immersing herself in the target's world, she can become them, blending in effortlessly and ensuring her clients disappear without a trace.

However, being a face changer does not come without its dangers. Jane Whitefield is constantly battling against those who seek to exploit her and her skills. Her mastery of disguise has made her a target of criminal organizations and those she has crossed paths with. The shadows that she operates in are filled with dangers and betrayals, making her every move both thrilling and perilous.

Throughout her journey, Jane Whitfield has encountered a myriad of fascinating personalities. From a politician with a dark secret to a notorious gangster on the run, she has had to adapt to various scenarios, each with its own set of challenges. With each new transformation, she delves deeper into the intricate world of deception, revealing the astonishing lengths people are willing to go to in order to change their lives.

The world of face changing may seem like something out of a spy thriller, but it is a real and mysterious world that exists beneath the surface. Many struggle to understand how someone can disappear and reappear as a completely different person, yet Jane Whitefield effortlessly navigates this realm, leaving a trail of awe and intrigue wherever she goes.

If you've ever wondered what it would be like to be someone else, even just for a moment, then the story of Jane Whitefield, the face changer

extraordinaire, is sure to captivate your imagination. Prepare to be amazed as you delve into the intricate world of disguise, deception, and the sheer power of transformation.

Jane Whitefield, legendary half-Indian shadow guide who spirits hunted people away from certain death, has never had a client like Dr. Richard Dahlman. A famous plastic surgeon who has dedicated his life to healing, the good doctor hasn't a clue why stalkers are out for his blood. But he

knows Jane Whitefield's name--and that she is his only hope. Once again Jane performs her magic, leading Dahlman in a nightmare flight across America, only a heartbeat ahead of pursuers whose leader is a dead ringer for Jane: a raven-haired beauty who has stolen her name, reputation, and techniques--not to save lives, but to destroy them. . . .
