He's breaking the rules for one woman, and coming dangerously close to falling in love...

Simon Nugent, Earl of Fielding, knows he's flawed. He's arrogant, possessive, and haunted by a terrible choice he made long ago. So when a former friend's daughter gives him the chance to do a good deed, he grabs it. Except he'd like to grab her as well and teach her a thing or two about kissing. If only she weren't so damn stubborn.

Ida Strong wants one thing – justice on behalf of her father. She has no room for anything else, in spite of her growing and (at times) inexplicable attraction toward a certain earl. But for a woman who knows what betrayal tastes like, placing her trust in others is hard. Risking her heart, would be downright foolish. Until it's the only thing that seems to make sense.
