The Blue-and-Gold Macaw, sometimes known as the Blue-and-Yellow Macaw, is one of the most popular of the bigger parrots, and it is also one of the most colorful. Because of their bright blue and yellow (or gold) feathers and their lively attitudes, they are easily noticeable in their natural environment.

These parrots are among the most widely owned Macaws in North America, so they aren't difficult to come by and won't set you back as much money as some of the other parrots available on the market.

You could discover something new about these beautiful birds if you continue reading. If you're interested in learning more about the Blue-and-Gold Macaw, please continue reading.
