As former American covert operative Chase Fulton struggles to adapt to life on the sidelines following a catastrophic injury, he finds himself waging a battle like none he's ever faced.

From learning to walk again with his new prosthetic to following his long-deceased mentor back into the classroom, Chase fights desperately to fill

the emptiness left by his inability to remain on the front lines of America's clandestine war with the unending phalanx of enemies at the gate.

Hope is reborn when a mission arises demanding not only Chase's unique skill set, but also his intellect and intuition. Can he answer the call of the battlefield without losing his grasp on the world that seems to reject him at every crossroad? Can he find a way to meld the dichotomy of his life on and off the plains of war without his sanity crumbling into the chasm of his desperation?

Is this the end or merely the genesis of a new battle plan to thrust Chase Fulton back to the forefront of the fight, where America and the Free World need him most?
