Stacy Gallin is a struggling cocktail waitress in a small Nebraskan town, trying to fulfill her lifelong dream of meeting a walrus. When her dream finally becomes reality, she slowly discovers that dreams can quickly become nightmares.

This is a short story written solely with the purpose of bothering my best friend, who hated the movie Tusk. This story, while not related to the movie "Tusk" in any way, is about a walrus, and a horrifying transformation.

This story is weird in the most wonderful of ways. I enjoyed writing it and I hope that you enjoy reading it.
